HOT BALLS - New Bingo Event Game or a Ball Game

Quick Facts – the inside story

- Price per pull-ticket = **\$1.00**
- Only **420** pull-tickets per deal – a small count game.
- Playing for a top prize of **\$200.00**
- Hold all pull-tickets with Bingo BALL Numbers B1 – 075 for a chance at the top prize of **\$200.00**
- There are 25 hold tickets per deal – 3 bingo BALL numbers each - these are premium pull-tickets.
- Play Hot Balls as a coverall – i.e. the first person to dab all 3 numbers/BALLS on the pull-ticket wins.
- Hot Balls can be played anytime during the night, simply sell the game out and award the prize.
- Create a buying frenzy by announcing to the crowd that the pull-ticket is now for sale.

Before placing the pull-tickets out for sale to the public:

- Review the quick facts above with the pull-ticket sellers.
- Determine how the game will be played – **Coverall bingo – first player to dab all 3 numbers on the pull-ticket wins the top prize.**
- Selling the pull-tickets face to face with floor workers will speed the sell through.
- Sell the pull-tickets along with the paper buy in and any specials.
- Keep the callers card in a safe place for record keeping and for reference by the caller.
- Explain the game to as many customers as possible as they purchase the paper buy-in.

Announce to the Hall – traditionally the caller does this:

- We will now be selling a new bingo event pull-ticket or BALL GAME called: **Hot Balls for \$1.00 each with a top prize of \$200. Hot Balls has only 25 hold tickets with 3 bingo BALL numbers on each. The player who completes the coverall on the Hot Balls pull-ticket during the designated bingo game will win the \$200.**
- During bingo, be sure to occasionally announce what event games are still for sale and create more excitement.
- When the game is close to selling out, create an even bigger frenzy “while they last, chance at \$200”
- Once sold out, pick the paper game in which you will play the event ticket. Then announce “We are about to play HOT BALLS, serial # xxxxxx (from the callers card) and the first player to dab all 3 numbers on their pull-ticket wins the \$200. Instruct the crowd that there are only 25 hold tickets and someone will win. “The winning BALL ticket holder should shout “Ball Game” to be recognized”.
- If the designated bingo game ends prior to the ball game winner, continue calling numbers or use the callers card to determine the winner.
- Once a Ball Game winner yells “Ball Game”, announce “Congratulations, please raise your hand so we can verify the valid winner”.
- The winning pull-ticket should be verified for the correct bingo numbers and serial number. We suggest paying some of the prize money in smaller bills to encourage tips and re-buys.
